Stem Cell treatment in Mexico

June 20th, 2014

Stem cell text

At Clinics of the Heart, our goal is to insure that your treatment is handled in the most professional way possible. We will guide you through every step of the process. We will work closely with you from start to finish, from stem cell treatment education to future follow up after your procedure. We will make your travel arrangements, arrange for all aspects and handle every detail, all of this is provided in order to ensure the best possible result. Below is an overview of this process:

Specialist Identification

Clinics of the Heart has chosen the most reputable stem cell facility in the world for your stem cell treatment and we have assembled a dedicated medical staff of board certified specialists who perform your stem cell procedure in our safe, controlled, and professional environment. We are tireless advocates for our patients and we ensure that you will receive nothing but the best in stem cell medicine.

Appointment Booking

Once we receive your appointment request by email to: info@cardioabroad.com, we will handle the logistics and paperwork that comes along with booking an appointment. Patient privacy is our top concern your information will always be kept confidential. We will accommodate your scheduling needs and ensure that the process is as convenient as possible.

Travel Arrangements

Once we've booked your appointment, we will make the necessary travel arrangements or you can make them on your own. All you need to do is book your flight and forward you flight itinerary we will take it from there, everything from hotel accomodations to arranging your lodging and meals, we will handle the details so that you can focus on getting well!
